Genuine Clay Pavers

Interstate Brick: Paving the Future!

Paving Brick - For the distinguished look in landscaping and ultimate sustainability, nothing compares with genuine clay pavers. Outstanding physical properties make clay brick pavers an excellent choice for driveways, plazas and patios. Clay brick pavers come in a variety of sizes and colors and can be laid in a wide range of patterns. Bullnosed pavers are also available to finish the edges of pools, stair treads and courtyard walls.
