ELDORADO
STONE

800.925.1491 | ELDORADOSTONE.COM

Étant donné que la pierre Eldorado reproduit la pierre naturelle, il peut exister des variations. Même si les couleurs de cette brochure sont aussi proches que possible de la pierre réelle, les techniques photographiques et d'impression, ainsi que les conditions de visualisation réelles, peuvent modifier la perception de la couleur. Nous vous recommandons d'obtenir un échantillon auprès d'Eldorado Stone avant de passer une commande.

Si vous souhaitez obtenir de plus amples renseignements sur les prix, la disponibilité de la pierre, le nom de votre distributeur local ou une réponse à toute question non couverte dans cette brochure, veuillez communiquer avec nous. Nous serons heureux de vous aider avec vos plans de construction en pierre. Des instructions d'installation détaillées, des caractéristiques, des renseignements techniques et des données d'essai sont disponibles sur demande.
