

POLYMAC

POLYVALENT ARCHITECTURAL PANELS

POLYMAC | Smoked Birch

STYLE AND CHARACTER

MAC Metal's POLYMAC architectural panels combine style, strength and efficiency. The strength of this panel's design lies not only in its adjustable and flexible side, but also in the complementary accessories available. The Polymac panel is the most efficient and affordable alter-native on the market.

Their standard sizes make them easy to measure and quick to install. The panels are reinforced at the end with a foam panel.

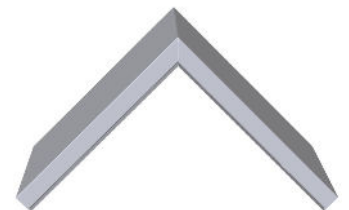

Offered in boxes in a variety of standard sizes.

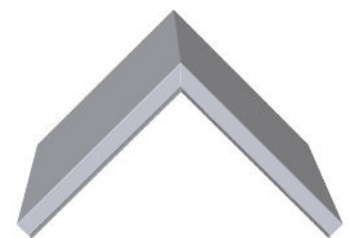

Panel
12 x 48 in & 12 x 72 in

Panel
20 x 48 in & 20 x 72 in

Corner panel
12 x 12 x 12 in

Corner panel
12 x 12 x 20 in

THE TEXTURAL SYSTEM

WOOD Collection

SIGNATURE Collection

INSPIRATION Collection

The colors printed in this sample board are for information purposes only and may vary slightly from the actual colour.

See the difference!

2x more resistant to UV rays

3x more resistant to micro-cracking,
especially in sharp-angle shapes

Colours with rich, unique finishes that
fantastically reproduce the look and
appearance of wood or noble materials.
